# Greening Your Child

create a non-toxic environment for your family

**Saturday, May 31st**

**10-11am**

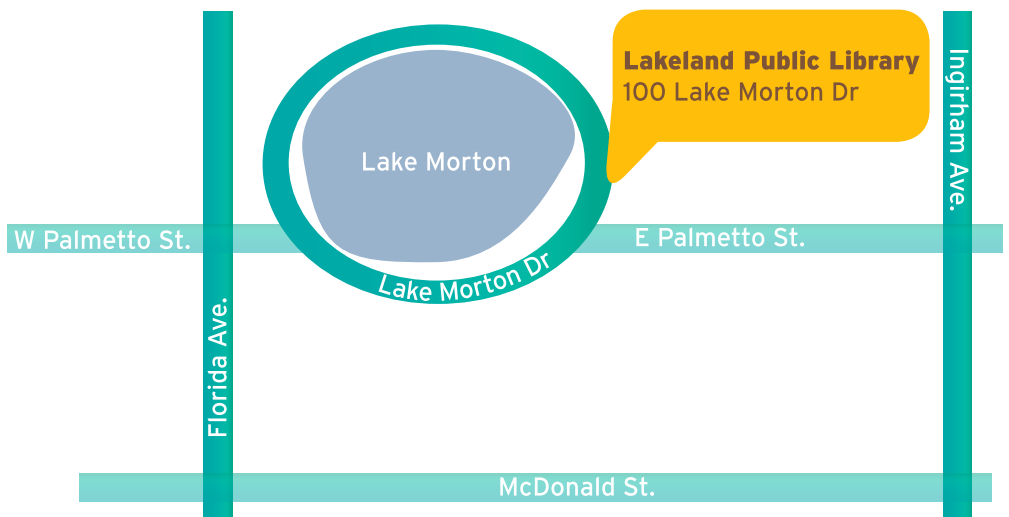

## "Greening Your Child"

is presented by **Angela Boatright**, Acupuncture Physician. She is a mother of two beautiful girls and encourages her family to live a responsible and healthy lifestyle. By going 'green', she has made a positive impact on both her family and the world they play in. Come visit her **FREE seminar at the Lakeland Public Library** to help you create a safe family environment.

## Important Information for Every Parent

- Do you know which plastics are safe for use?
- Does your child suffer from allergies or asthma?
- Is your home toxic?
- Is organic food necessary?
- Can you afford to be "green"?
- How to keep your child healthy.
